STATUTORY OPERATIONS & REGULATORY TENANCY DOSSIER

1. MULTI-JURISDICTIONAL STATUTORY SCOPE & AUTHORITY

Section 8 Rentals and More LLC operates across the Twin Cities metropolitan area (Hennepin, Ramsey, Dakota, Anoka, and Washington counties) and Western Wisconsin (St. Croix County). The organization ensures strict statutory compliance with Minnesota Statutes Chapter 504B, Wisconsin Statutes Chapter 704, and the Department of Housing and Urban Development Housing Choice Voucher Program rules codified in 24 CFR Part 982.

Every dwelling unit under management undergoes pre-tenancy underwriting adhering strictly to 2026 Small Area Fair Market Rent (SAFMR) benchmarks. Rent reasonableness determinations enforce the 110% payment standard ceiling under 24 CFR § 982.507, preventing sovereign voucher abatements and securing unbroken direct-deposit disbursements.

County Jurisdiction	PHA Agency Code	2026 2-BR SAFMR	110% Cap Standard	Winter Rule

2. SECURITY DEPOSIT ACCOUNTING & MANDATORY 1% ESCROWING

Pursuant to Minn. Stat. § 504B.178, all tenant security deposits are held in a segregated trust depository account and accrue non-compounded simple interest at the statutory rate of 1.0% per annum. Upon termination of tenancy, the managing entity itemizes all physical findings within 21 days, distinguishing ordinary wear and tear from actionable damage to preclude statutory bad-faith penalties.

In Wisconsin units, compliance adheres to Wis. Stat. § 704.28, ensuring all tenant security deposit transmittals and written explanation letters clear statutory deadlines with photographic proof archives.
